Now, therefore, notice is hereby given, that, under and by virtue of said decree, GEORGE SWOPE, therein named, will, on THURSDAY, the 13th day of October, A. D. 1870, at 12 o'clock, expose to public sale, by public vendue or outcry, the whole of the railroad, together with the lands, rights of way, bridges, culverts, trestlework, machinery, depots, grounds, and buildings situate thereon, and also all the tolls, issues, income, profits, rights, privileges, and franchises, and also, all the cars, engines, locomotives, tenders, or other things used in the business or management of said railroad and its appurtenances, at the Merchants Exchange in the city of Philadelphia.

Medical.

Baltimore Lock Hospital.

DR. JOHNSTON,

Physician of this celebrated Institution, has discovered the most Certain, Speedy, Pleasant and Effectual Remedy in the World for all

DISEASES OF IMPRUDENCE,

Weakness of the Back, or Limbs, Strictures, Affections of the Kidneys, or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—SECRET and solitary practices, more fatal to their victims, than the songs of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes, or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

especially, who have become the Victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brillient intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young Men contemplating marriage, aware of Physical Weakness (Loss of Procreative Power—Impotency,) Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidentially rely upon his skill as a physician.

ORGANIC WEAKNESS,

IMPOTENCY, LOSS OF POWER,

Immediately Cured, and Full Vigor Restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny, that the power of procreation is lost sooner by those falling into improper habits, than by the prudent? Beside being deprived of the pleasures of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.

Relief in Six Hours! No Mercury!

Persons Ruined by Ignorant, Trifling Pretenders, and their Deadly Poisons, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London. Graduate of one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by the early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects of the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emicated, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view, the mind becomes shadowed to despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, by sending him to that undiscovered country, "from whence no traveler returns."

It is a melancholy fact, that thousands DIE victims to this terrible disease, through falling into the hands of Ignorant or Unskillful PRETENDERS, who by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer month after month taking their noxious or injurious compounds, and instead of being restored to a renewal of Life, Vigor and happiness, in despair leave him with ruined Health, to sigh over his galling disappointment.

To such, therefore, Dr. JOHNSTON pledges himself to preserve the most Inviolable Secrecy, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz: England, France, Philadelphia, and elsewhere, is enabled to offer the most Speedy, Certain and Effectual Remedy in the World for all diseases of Imprudence.

DR. JOHNSTON,

OFFICE, 7 SOUTH FREDERICK STREET,

BALTIMORE, MD.,

left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

☞No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Paltry, Designing and Worthless Impostors advertising themselves as Physicians, trifling with and ruining the health of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say especially to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this establishment, year after year, and the numerous Surgical Operations performed by Dr. Johnston witnessed by the representatives of the press and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

THE reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it.—Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, which excites a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on a favorable occasion, rapidly develops into one or the other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of Sarsaparilla is advisable, even when no active symptoms of the disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also, in more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations,* and *Female Diseases,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver,* and *Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless,* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.

THE DARK DAYS OF '61.—In the number of the *Atlantic Monthly* for October Hon. Henry Wilson, in an article of a dozen pages, replies to Judge Black's vituperative letter which appeared a few months ago in the *Galaxy* in regard to the course of the late Edwin M. Stanton in the dark days of 1860 and 1861. Mr. Wilson devotes very little space to Mr. Black personally, but occupies himself with sustaining the statements he had made as to Mr. Stanton by the testimony of competent and trustworthy witnesses. Mr. Seward writes that while he was prospective member of Mr. Lincoln's Cabinet and Mr. Stanton was Mr. Buchanan's Attoney General they were in constant confidential communication, and that he received from day to day important suggestions and information from Mr. Stanton. Mr. Sumner writes a graphic and impressive account of the midnight interview at his own house, when Mr. Stanton, who came at that hour to escape the surveillance of the Rebel agents, described the plans of the traitors which had come to his knowledge.

Hon. William A. Howard, of Michigan, who was chairman of a special House committee, appointed in 1861 to investigate the plots of the Rebels in and out of the Government, writes to the effect that Mr. Stanton was the author of the resolutions creating the committee; that he was in secret communication with them from day to day, and furnished "the most startling facts." Mr. Dawes, another member of the same committee, gives still more explicit evidence to the same general effect. So Mr. Wilson goes on, bringing forward the corroboration of one distinguished man after another to the assertions he has made, and weaving a chain of evidence which even Mr. Black will be likely to consider unquestionable.

"The Fire-place" is the name of a drinking saloon in Chicago. Any one can get warmed by it for ten cents, or red hot for a quarter.

A blind man named McConnell and his wife were burned to death in Boston on Thursday night. He was intoxicated, and the bed took fire from his pipe.

At New Orleans on Sunday there were ten deaths from yellow fever.

APOLOGETIC.

For the last week or two political matters have monopolized our columns, to the exclusion of general news. The political campaign closes with the present number, and we shall hereafter present our readers with a larger variety of reading matter.

Beware of Last Cards.

The vindictiveness with which the Copperheads have conducted the present campaign, shows that they are prepared to resort to any means to carry the Election. We, therefore, warn all Republicans to be on their guard against all manner of stories about Republican candidates, in the shape of "LAST CARDS," issued on the eve of the Election, and too late to be contradicted. Brick Pomeroy has advised his Copperhead friends in Pennsylvania to conduct the campaign on the "RED HOT" plan, and they seem disposed in this county to obey orders. Look out for last cards!

MODE OF VOTING.

There being no State or Judicial ticket to be voted for in Adams county this year, there will be but TWO Tickets voted for. One will be headed "COUNTY," to include Congress, Assembly, Commissioner, Director, Auditor and Jury Commissioner. The other will be headed "BOROUGH" or "TOWNSHIP," as the case may be, to include all local offices. In Boroughs, the municipal officers will be voted for on one ticket headed "Borough." Those who, under Borough regulations, are disqualified from voting for Burgess and Council, but have notwithstanding the right to vote at General Elections, can cut off the Burgess and Council, and vote the balance of the ticket.

POLL EVERY VOTE!

We learn that the Democrats are working like beavers throughout the county, quietly, but persistently, hoping to catch the Republicans napping. They build largely on a full Democratic and a light Republican vote. We hope the Republicans of the county will checkmate this pretty little game, by at once arranging to poll EVERY VOTE. Let the organization in every township be at once completed, and arrangements effected to secure a full Republican vote. *One vote* MAY decide the fate of some of the candidates.

STAND AT THE POLLS.

Let the best and most prominent Republicans of every election district stand at the polls, from morning until night, on election day. There has been too much neglect of this important matter. The presence of well-known citizens at the voting places is a source of power that is always felt. We hope to see a new order of affairs at the coming election. Good citizens should feel bound, at least, to give the countenance of their presence to those who labor for the success of the principles of the party. Let such be the first at the polls next Tuesday, and the last to leave.

THE LAST APPEAL.

We to-day make our final appeal to the Republicans of the county. We hope the work of organization in the townships has been completed ere this. If not, we beg our friends to do so at once. Two days remain, (Saturday and Monday,) in which much good may yet be done. In the County, the Democracy are badly demoralized by the mischievous policy of an obnoxious "ring." From all parts of the county we have intelligence that many of the best Democrats will vote for portions of the Republican ticket. Let there be a full Republican vote. Let there be no laggards—but see to it that arrangements are at once completed to poll every vote.

DON'T BE BACKWARD!

Have your Committee men at the polls and watch every vote that is cast. Our enemy will poke in a fraudulent vote whenever they have a chance. Watch them! Our cause demands it! And the sacredness of the ballot-box should encourage us to watch the polls!

One Vote!

We desire to urge upon every man in Adams the importance of polling every vote. No man, if he desires to do his duty, should fail to be at the polls on the 11th of October. One Vote may decide the contest on some important candidate. Remember and be at the polls, and see also that your neighbor is there.

$38,042 17.

Keep it before the people that the County expenses last year were $38,042-17, without including payments on debt or interest. Is it any wonder we have high taxes? If you want *Reform*—vote for JOSEPH BAYLY?

$12,813 81.

Let tax-payers remember that the Poor-House expenses last year were $12,813 81—nearly double what they were in 1863, and treble those of 1853. If you want Reform, vote for J. WATSON BARR.

THE Copperheads, in their anxiety to defeat Mr. Cessna, quote Col. Francis Jordan as against him. We need hardly say this is another bold-faced lie. Col. Jordan is on the stump, speaking daily in support of Mr. Cessna, and to-night (Thursday) he will put an effectual *estoppel* on the falsehood in these parts, by showing why every true Republican should vote for Hon. JOHN CESSNA for Congress.

HOW THE COUNTY TAXES ARE SWALLOWED UP.

COUNTY EXPENSES $38,042 17—POOR HOUSE $12,813 81.

At the request of a number of tax-payers, we re-publish the tabular statement of County Expenditures during the last 17 years. It is a remarkable statement and worthy the attention of every tax-payer. With no new buildings, and nothing calling for extraordinary expenses, the expenditures for last year foot up $38,042 17 in the Commissioner's office, and $12,813 81 in the Poor House—just double what they were in 1863. Remember that this does not include any payments on debt or interest. Including these, the aggregate would be much larger. The table gives the actual cash payments for ordinary county expenses. Is it any wonder that the County is heavily in debt? The question arises—WHERE IS THE LEAK?

* In 1858, $12,173 81 were paid on new Court-house, and in 1859 $12,610 62. † In 1862, $9,900 were paid as Bounties to volunteers.

THE WAY IT GOES.

One story current in the country about Poor-House affairs is good enough to be true, as it precisely illustrates the way things are understood to be done out there. Some of the officials connected with the Poor-House thought it advisable, on many accounts, to have a barrel of whiskey in the establishment. And it was accordingly bought for one hundred dollars. But it was *charged and paid for as hardware*, to avoid ugly suspicion and unpleasant comment.

THE DEBT GOING DOWN.

The U. S. Treasury statement published on the 1st inst., show a further reduction in the Public Debt of $9,007,-498 13. Thus it goes. With a Republican administration of the General Government, we have reduced taxation and a steady decrease of the national debt. With a Democratic county administration, we have increased taxation and a steadily growing county debt. Which do you like best?

THE DEMOCRATS of the county are thunder-struck at the exposure which has been made of the condition of our County affairs. A few are determined to be easily satisfied, and are willing to believe anything. One such told a friend of ours the other day, that the increase in *County* Tax had been made necessary by the repeal of the *State* tax on real estate, a few years ago. He forgot that the *State* tax, when it existed, never went into the *County* treasury, but was taken to Harrisburg and paid into the State Treasury. He must "try again," if he wishes to rest easy under the new developments.

WHEN the Democrats got possession of the County Boards, in 1855, there was a handsome surplus of over $5,000 in cash in the County Treasury besides balances on the uncollected duplicates. In fifteen years, they have spent this surplus and run the county in debt $50,000.

How much more of such financiering do the people of the county want?

Vote for Bayly and Barr, and turn out the incompetents.

MR. B. F. MEYERS is trying to hold Mr. CESSNA responsible for acts for which he is in no wise responsible. For instance, he stated here that Mr. Cessna drew up a bill when in the Legislature during the war, intended to prevent the immigration of colored persons into this State.

We have Mr. CESSNA's own authority for stating that this is wholly untrue. He did not write a line of it.

MEYERS in his speech here last week, did not allude to his Know-Nothing record.

He could not deny it; and we suppose he thought it best to pass it by in silence.

No doubt, "the Ring" managers advised this as the wisest course.

"*Mum*" is a favorite word with them

THE Democratic Free Traders who want the people to vote for MEYERS are in favor of going to England to buy their iron and steel. The Republicans who are for CESSNA's election are in favor of Protection, and want steel and iron made in our own country, where our own people can be employed to do the labor, and our own farmers can raise and sell the produce to feed them. Which doctrine is the best for Adams county?

PROTECTION builds furnaces and railroads and will bring a market to the door of every farmer who has anything to sell. Free Trade goes to Europe for iron and rails and leaves our farmers with their produce rotting on their hands, or forces them to seek a market where it takes one bushel of grain to pay the transportation on another. CESSNA sustains Protection. MEYERS will vote for Free Trade.

THREE years since the farmers were burthened with National and State taxes. Now—thanks to a Republican Congress and Legislature—the farmers have neither State taxes on real estate nor National taxes to pay. Vote for the party that released you from taxation.

A COUNTY Auditor should be a man of business capacity, a good accountant, and resolutely honest. Such a man is G. WASHINGTON LOTT, of Highland, who ought to be elected on the score of merit alone. He is a young man of excellent promise, and would honor the office.

OUR County Tax is, with *one* exception, the *largest in the State*. And this, although the County has not been putting up any new buildings, or having any extraordinary expenses.

Where is the leak? It is evidently very large.

THE Commissioners of Somerset county let the building of bridges at public outcry, to the lowest and best bidder. Under this plan, there is no chance for favoritism. Would it not work well here?

SENDING Democratic members to Harrisburg to ask a *Republican* Legislature to vote for the passage of the border claim bill, is not the best way of accomplishing the success of that important measure. Vote for Col. EPHRAIM MYERS.

ADAMS COUNTY, 1869.—OFFICIAL.

Packer's majority in the county 387.

HON. JOHN CESSNA has been campaigning this week in this county. It is a matter of regret that his engagements in other parts of the district prevent his making other appointments here. His able discussions of the issues of the day are making good impressions—contrasting, as they do, with the vapid jargon of his opponent, Mr. B. F. Meyers. We are glad to assure our readers that there is little or no doubt of Mr. Cessna's election by a largely increased majority. The knowing Democratic leaders concede this: and those who still look hopefully on Meyers' prospects, build their faith on a fraudulent Democratic vote on the lines of new railroads in process of construction in Franklin and Somerset. Attempts have been made to import a large number of Irish from Elk and other counties to swell the Democratic vote. But the Republicans are on their guard, and will enforce the Registry Law, as well as the provisions of the Act of Congress against fraudulent voting in Congressional elections. Let every true Republican stand by Mr. Cessna, and his election is assured.

MR. CESSNA has printed a letter of acceptance which is quite lengthy, and has reached us at so late an hour that we cannot print it, without excluding other matter of equally pressing importance. It is a complete vindication of his Congressional course.

One part of it, we print below, in response to the attack made by his competitor upon his personal integrity, to which we alluded last week. Mr. Cessna says:

> I was often called upon to present cases of my constituents to Congress and the different departments. I tried to do so fairly, impartially and promptly, and according to my own sense of right and duty. I assert most positively and unhesitatingly that in no case did I receive a farthing of compensation or reward for any act connected with my present or any past position except lawful salary: or that I ever for one moment entertained any such proposition. I know it is easy for unscrupulous men to make charges, but I defy the bitterest foe I have to come forward with his proof.

There can be no such proof, for there is no such act. It is highly discreditable to Mr. Meyers that he has been willing to conduct the canvass in the vile manner he has. We expected better things of him, though we knew him to be an extremely bitter partisan.

A NEW daily paper is announced to be published in Harrisburg, under the title of "The Pennsylvania State Journal," by the Harrisburg Printing Association, of which B. Singerly is President and J. R. Sypher Secretary. It will be devoted to independent journalism; will defend and advocate the rights and interests of the people, and will assist every effort to advance the religious, educational, moral and social condition of humanity. So long as the Republican party continues to be, as it now is, more than any other political organization, the enactor and defender of liberal and impartial laws, the protector of American labor, the promoter of American manufactures, and the leader in all great reforms, THE JOURNAL will advocate its principles and defend its politics.

Mr. Sypher, who has a large experience as a journalist, will be the principal editor. The Daily will be furnished at $6.00 per annum; the Weekly at $2.00, or 5 copies for $9.00.

Vote Early.

Go to the polls as soon as they are open and vote! After that attend to others! Give one whole day to your Country—from morning till night.

THE border counties of York, Cumberland, Adams, Franklin, Fulton, and Bedford gave over five thousand majority for the Democratic candidate for Governor, last fall, and elected six out of the eight Assemblymen who represented them. As was to be expected, they had no influence with a Republican Legislature. Let us elect Republican members of the House at the coming election, and then we will put ourselves right to ask for compensation for our border losses.—*Repository.*

ADAMS COUNTY does not possess a better citizen, a more upright, honest man, than JOSEPH BAYLY. If elected County Commissioner, the "Ring" will not find in him a tool. Tax-payers can rely on him seeing to an honest and economical administration of county finances. Vote for JOSEPH BAYLY for County Commissioner.

A. H. CHASE, Esq., of the York *True Democrat*, and I. G. Ingram, of the Harrisburg *Telegraph*, have purchased the *York Republican*. They are both gentlemen of considerable editorial experience, and will doubtless infuse new life and vigor into the old *Republican*, which dates back to 1789, when it was started by John Edie & Co.

LET every Republican voter be on his guard against slanders of our candidates between this and election. The opposition are desperate, and will resort to deception and falsehood to carry the day. Look out for "Roorbacks."

DO YOU wish to see the County expenses reduced? Vote for a capable and honest man, JOSEPH BAYLY.

FILE your protest against corrupt legislative practices, by voting for Col. EPHRAIM MYERS.

REMEMBER TUESDAY NEXT! VOTE EARLY! TAKE YOUR NEIGHBOR WITH YOU!

EVERYTHING indicates a Republican victory on Tuesday next. Come out, and help to swell it.

Poll every Vote!

ELECTION, Tuesday next.

CAN'T GO HIM.

B. F. MEYERS seems to have a rough road to travel in Franklin county. His Anti-war and Free-trade record is so repulsive that the Democratic leaders in that county refuse to aid him in the campaign. Kimmel, McLellan and McDowell decline to go on the stump, leaving the campaign to Stenger and Duncan. We hear of prominent Democrats also in Somerset and Bedford, who refuse to support Meyers, prefering Cessna, an avowed Republican, to a Copperhead and Free-trader.

THE Copperheads of this district, in their anxiety to beat Mr. Cessna, resort to the most atrocious falsehoods, affecting Mr. Cessna's personal integrity and misrepresenting the position of prominent Republicans. Among other things they are flooding the district with handbills to produce the impression that Col. Francis Jordan is hostile to Mr. Cessna, whereas Col. Jordan is speaking every day in opposition to B. F. Meyers and in favor of Mr. Cessna's re-election to Congress.

Again, to bolster up the courage of their adherents, the following paragraph, orginating with the New York *World*, is going the rounds:

> "Hon. John Allison, Register of the Treasury, who left Washington on Monday to take the stump in Mr. Cessna's district, writes home that he has already given up all hopes of the latter's election."

Judge Allison is now stumping in this county and we are authorized by him to say this falsehood has been manufactured out of the whole cloth—that he has written no such letter, and entertains no such opinion—but, on the contrary, has no doubt of Mr. Cessna's re-election by a greatly increased majority.

THE Legislature of 1871, to be chosen this fall, will be the most important one for many years. It will be its duty to re-apportion the State in Congressional districts, under the census of 1870. It will also be called upon to re-apportion the State into Senatorial and Representative districts, and to act upon the report of the commissioners to revise the the civil code of the State. Hence every true Republican should not only vote for, but work for, Col. Ephraim Myers, whose fidelity to Republican principles and Republican interests can be relied on.

SOLDIERS of the Sixteenth District, Benjamin F. Meyers, the candidate of the Democracy for Congress, during the war was openly in favor of compromise with the rebels, and discouraged and opposed the draft. If his counsels had prevailed there would not be a Congress. By opposing his counsels and defeating his friends you have made it possible for him to be a candidate for Congress. Be sure that you allow such as he to be nothing more than *Candidates.*

ANY person interfering or attempting to intimidate any colored voter in the exercise of his newly acquired rights is liable to heavy fines and penalties. All such actions will be tried in the United States District Court. We make this declaration for the purpose of assuring our colored fellow citizens that no one dare attempt to molest them upon election day, while in discharge of their duties as citizens and electors.

EVERY member gained by the Democracy in our State or in the National Legislature will be an encouragement to that party to pursue their disastrous measures, and will discourage and dishearten the Republicans, while every member gained by the Republicans will strengthen their hands in doing good for the people. Vote for John Cessna for Congress and Col. Ephraim Myers for Assembly.

THE office of Jury Commissioner requires sound judgment, large personal acquaintance, and uprightness of character. John D. Becker, of York Springs, the Republican nominee for that office, has these qualifications in an eminent degree. Honest, careful and judicious, we may expect, under his administration, intelligent and honest juries.

IT is generally conceded that reform is badly needed, in the Poor House administration. J. Watson Barr, of Mountjoy, is the man to help do it. A practical shrewd farmer, of incorruptible integrity, and discriminating judgment, he ought to be put into the Board. All who want Reform should vote for J. Watson Barr.

OUR County tax, large as it is, will merely pay the expenses of the county, as now managed.

Whenever it may be proposed to pay the debt, additional taxation will be resorted to.

Oh! the luxury of Democratic management.

THE Democrats of Lancaster county have united with some disaffected Republicans, and put up a full County Ticket in opposition to the regular Republican candidates. One of their resolutions pledges their Legislative candidates to oppose all appropriations to pay the Border Raid damages.

PLEASANT THINGS FOR TAX-PAYERS TO REMEMBER—That they are pressed to pay their taxes, early; and that the proceeds inure to the benefit of sharp dealers who are scenting a bargain. If there be a surplus of assets, why not pay so much of the debt, and stop interest?

THE public are seriously considering the question—*Ought* officers who have charge of County funds to use them for private purposes, or allow others to use them?

THE next Legislature will be Republican. If then you wish to secure compensation for border losses, send Republicans and not Democrats there from the border counties, as you did last year.

WHEN WILL the public money be diverted from the private purposes in which it is employed, and devoted to public uses?

A NEW USE TO MAKE OF COUNTY FUNDS—buying paper at a discount of eight per cent.

ON next Tuesday elections for Congressmen and other officers will be held in Pennsylvania, Ohio, Indiana, Iowa and Nebraska. In the latter State there will be a Governor, Congressmen and State officers elected, and on the 27th inst., there will be an election for Governor, State officers and Congressmen in West Virginia. In all the other States where elections have not already been held, these officers will be chosen in November.

THE Republicans of Massachusetts have nominated Governor Claflin as their standard-bearer. Mr. Claflin is the present Governor, is a thorough Republican, Chairman of the National Republican Executive Committee, and will be re-elected Governor of Massachusetts.

THAT $10,000.

MR. EDITOR:—I have heard that the County money referred to in my last, has been loaned for six months, and that the party who borrowed it is realizing *eight per cent.* for it *in advance*. In the meantime, the debt owing by the County is bearing interest, which the people's taxes will be taken to pay, if no part of them be lost by this and other like speculations. The County is the loser, and speculators are the gainers, which leads to the reflection that it is a convenient thing for shavers of notes to have the run of the County Treasury. How long is this shameful state of things to continue?

NEW OXFORD.

[For the Star and Sentinel.

MR. EDITOR:—The communication of "New Oxford," stating where $10,000 of the County money have been invested, made considerably stir in this neighborhood. All parties agree that the transaction was loose and discreditable, and goes far to explain why our County affairs are in such confusion.

I write this to inquire whether the transaction is not "embezzelment" under the law?

A WORD TO REPUBLICANS.

MESSRS. EDITORS:—I understand that Isaac Hereter and Ralph Sherfy, the Democratic candidates for Assembly and Auditor, are asking Republicans to vote for them. I don't see how any honest Republican can do so. Last winter both these gentlemen, in different School Houses, undertook to show in debates that the Declaration of Independence asserts a lie, where it holds that all men are born free and equal and endowed with certain inalienable rights. These *Democratic* candidates then stoutly argued "that all men are *not* born with certain inalienable rights." Neither of them dare deny this.

COPPERHEAD MEETING.

On the 29th ult., the "Cops" held a meeting in this place in front of the Yantis House, which was but slimly attended, not more than about one hundred persons being present, including Republicans and juveniles. The meeting was opened by the Hon. Wm. McSherry in a few brief remarks, after which he introduced B. F. Meyers, the Congressional candidate on the Copperhead ticket. The balderdash harangue of the last named gentleman was of about an hour and a half's duration, and consisted chiefly of a mixed combination of "Free Trade," "Protection," the "War" and the "Nigger," subjects which did not appear to particularly interest his small audience, as they gradually commenced scattering, (no doubt being disgusted) until but few remained. At the close of his remarks, calls were made for Stahle, when that *able and eloquent* expounder of Copperhead principles took the stand and dwelt upon the "nigger," for a considerable time, and finally wound up by harping on the incompetency of our worthy candidate for the Legislature, Col. Ephriam Myers. These last remarks of the orator did not take as well as the speaker had perhaps imagined. Mr. Myers has some very warm Democratic friends here, and I have since been informed that several good sound Democrats remarked on their way home from the meeting, that although they had had no idea of voting for Mr. Myers, they would now most certainly do so.

Thus ended this great meeting of the unterrified, which was dull and spiritless throughout, and in all respects a failure.

OBSERVER.

LITTLESTOWN, Oct. 4, 1870.

SOMETHING FOR GERMANS TO READ.

Germans who think the Democratic party has anything in common with their national feeling, will please make a note of the following extract from the Chicago *Times*, the leading organ of the Democratic party in the West:

> "The *Times* has pursued the manly course. The Dutch of this country have proved a most stupendous fraud. The records show one continuous line of shelved 'Dutch generals' during our late row. Chancellorsville was repeated on a smaller scale wherever Dutch batallions were placed in battle array. They vote just as they fought—on the side offering them the most lager beer and the most money.
>
> "It is useless for the Democracy to pander to the Dutch vote. It is a curse to any party. It will drive away more decent Republicans than it will bring strength to the support of the rotten hulk of Radicalism. Then keep up the fire. Let American Democracy continue to send greeting to Republican France; American Radicalism to sympathize with the forthcoming Dutch empire."

THE FRANCO-PRUSSIAN WAR.

The Election in Rome.

The military status in France has not materially changed during the past week. The surrender of Strasbourg has relieved the large Prussian army investing it, most of which, with the heavy seige guns, have been sent forward to aid in the siege of Paris. Bazaine still holds out at Metz.

The Prussian lines are gradually closing around Paris. The city has been cut off from all communication from the rest of France, except by balloons occasionally sent up from the city. There has been more or less fighting around the walls, but with no decisive result.

ITALIAN UNITY CONSUMMATED.

ROME, Oct. 3.—The voting yesterday resulted nearly unanimously against the Pope. Over 50,000 votes were cast in favor of Italian unity, and less than 50 against. Several monks and priests voted "yes."

The city was splendidly illuminated last night in honor of the result of the *plebiscitum*. The best of order prevailed all day. The Italian flag floated from a hundred houses. A strong guard had been placed at each of the twelve voting places, but their services were not needed. Processions with music, &c., marched through the streets to the different polling places. The workmen went to vote in a body.

LONDON, Oct. 3.—It is reported that, in consequence of the vote of the Leonine City having been cast unanimously for the rulership of Victor Emanuel, the Pope will take up his residence at Malta.

The people are flocking from all parts of Italy to Rome. Five newspapers have already been started there, and the political journals of Florence are sold about the streets. The Romans are bewildered at the avalanche of political liberty.

GEN. SHERIDAN is still at the headquarters of the Prussian army. Several letters have been received at Chicago from him. He thinks the Prussian and French soldiers inferior in skill and intelligence to our own soldiers, and that our Remington breach-loader is superior to either the needle-gun or chassepot. He will remain at the Prussian headquarters until the close of the siege of Paris.

ON Wednesday the citizens of Hebrew descent observed "The Day of Atonement" (Yomkippur), the most important in the Jewish calendar. The lessons designed to be taught at this Festival are the justice of God, the wickedness of men, necessity of an atonement, the duty of repentance and the beauty of forgiveness.

THE rumors of Secretary Fish's early retirement from the State Department, are revived, and Gen. Hiram Walbridge, of New York, is mentioned as his probable successor.

GENERAL NEWS.

GENERAL R. E. LEE was stricken with paralysis at his home at Lexington, Va., on the 28th ult. His recovery is considered doubtful.

PRESIDENT GRANT has appointed Clement H. Hill, of Massachusetts, to be Assistant Attorney General of the United States.

George Geiger, of Peach Bottom township, York county, has been appointed Sheriff by Governor Geary, to fill the place made vacant by the death of Christian Pfahler, Esq.

ALL communication between Brooklyn and Governor's Island, New York, has been cut off on account of the yellow fever. There were ten deaths from yellow fever at New York on Monday.

THE FREDERICK COUNTY FAIR will be held at Frederick on Tuesday, Wednesday, Thursday and Friday of next week, and the Washington County Fair at Hagerstown during the same time.

THE New Orleans *Deutscher Zeitung*, a Democratic paper, has come out in support of the Republican party. Another evidence of the fact that Germans everywhere are severing their connection with the Democracy.

EX-GOVERNOR PACKER who died on Tuesday was sixty-four years of age. He was chosen Governor of Pennsylvania at the October election in 1857, over David Wilmot, Republican, and Isaac Hazelhurst, American. He served as Governor from January, 1858, until January, 1861, when he was succeeded by Gov. Curtin.

CHIEF JUSTICE MCKEAN has decided that the Legislature of Utah cannot elect a prosecuting officer for the Territorial Court over which he so ably presides. This decision ejects the Mormon Attorney General from office, and places all criminal cases in the Territory in the hands of the United States officers.

THE HEAVY rains of last week produced an unprecedented freshet in the streams of Western Maryland, Virginia and West Virginia. On Saturday the river at Harper's Ferry rose 25 feet, sweeping away houses and drowning over 50 persons. Immense destruction to bridges and property along water courses is reported.

IMMIGRATION to this country from Germany has not been materially checked by the European war, as it was greatly feared would prove the case. The arrivals at New York for the week ending last Saturday were twice as great as for any week during the last two months; and the total arrivals for August last were only 1,886 less than for the corresponding week of last year.

ABOUT a year since the widow and six children of James Dougherty, killed by a train of cars on the Baltimore and Ohio Railroad, near Sykesville, obtained a verdict of $4,000 damages against the Company in the Superior Court of Baltimore City. A new trial was obtained, on the motion of the Company, which was concluded on Monday by the jury awarding $10,000 damages, $6,000 more than the first verdict.

REPUBLICAN VICTORIES.—All the fall elections held thus far in the North, the West, and South-west, have resulted in Republican victories. First came the echoes from the green hills of Vermont of a sweeping triumph; then Maine, the "Star of the East," followed with another emphatic victory; then the golden Territory of Colorado elected the entire Republican ticket, and lastly, Wyoming repudiated her Democratic majority of last year by casting a handsome one for the Republicans.

ALWAYS AHEAD.—Capt. NORRIS is determined not to be outdone by rivals, and has again added largely to his stock for fall and winter wear. If you want a fashionable Hat, Cap, Coat, Pants, or Vest, for fall or winter wear, or a good pair of Boots or Shoes or any kind of underwear as cheap as before the war—Norris' Head-Quarters is the place, (Arnold's corner) young gents. If you want a fashionable Tie or Bow, don't forget that Norris is getting new styles every week, and always has the latest. His stock of Hats is the largest in the county and greatly reduced in price, all styles and price. If you want to save money go to Norris' corner. Sept.16–tf

He also has still on hand a variety of Battle-field Relics, of any kind and style, a large assortment of Canes, &c. Call and see him. tf

THE OLD BARBARITY.

At the close of the Presidential campaign in 1868 it was hoped by all the Republicans and by many Democrats, that no party would ever again go before the country appealing to the ruffianism and brutality of ignorant men. The battle for human rights had been fought and won, and there was a general acquiescence in the inevitable result. Leading Democrats who were men of culture and respectability were pleased at the prospect of being no longer compelled to prostitute themselves to the base party tactics which for the three preceeding years had been used with the greatest persistency, and in some localities with marked success. Take away the hostility which the average ruffian entertains toward the colored race, and there would not have been a dozen Democrats in the Thirty-ninth, Fortieth or Forty-first Congress. Governor Seymour, who, outside of his not entirely reputable political record, is a gentleman and a scholar, tried to lead the party away from the old barbarism, and in the singularly ingenious and able speeches which he made during the canvass he implored his supporters to fight the Republican party upon its financial policy, and to drop the insane crusade against a race that was entitled both to sympathy and protection. In a speech delivered in New York he said that it was the paramount duty of the white people of the country to educate and elevate the freedmen as far as they had capacity, and to admit them to the franchise as soon as they could stand the requisite educational tests. But the country editors and bar-room politicians refused to follow Mr. Seymour's advice, and the wretched slang about "white men" and "white man's Government," and "Sambo," and "Cuffe," and miscegenation, and negro domination, was kept up to the end. A few of the more respectable candidates for Congress held themselves above the indecent slang, but at the same time they knew in their hearts that its liberal use was all that gave hope of success.

When General Grant was elected, however, it was hoped that the occupation of the political blackguard had gone forever, and that before the next election for Congressmen the political rights of the colored citizen would be so firmly fixed that no man would be foolish enough to invoke the ruffianism of the country to subvert them. Since then the Fifteenth Amendment has been adopted, and all citizens have been guaranteed equal civil and political rights. The Democrats of the Northern, Eastern and generally of the Southern States have accepted the situation, and in their political platforms they recognize the colored man as a citizen and respectfully solicit his vote. In some of the Southern States the "Ku-Klux" still oppress the colored people, but this is for the purpose of making them vote the Democratic ticket. That they ever intend to deprive them of their rights and franchises they all indignantly deny.

In Maryland and Southern Pennsylvania the Democracy still keep up the old battle-cry, "Down with the nigger!" There is positive fierceness in the maledictions of the rural editors. The slashing articles of 1866 are reproduced, with such additional flings at the colored man as the crisis seems to demand. Utterly oblivious of the events of the last ten years, and apparently unconcious that they are living in the nineteenth century, these self-constituted guardians of the purity and dignity of the white race prostitute themselves to a moral baseness that ought to disgrace a savage. The old rape stories, with all their disgusting details, which have done duty in the Democratic newspapers in every campaign since 1864, are once more paraded before the youth of the country for their debasement. It matters not that the perpetrators are nameless (except that they were negroes), and that the localities mentioned can be found in no gazetteer on the face of the earth; yet the stories are circulated as campaign literature, and read, and no doubt believed, by the multitude. That men who profess to be gentlemen in their own lives and character should lend themselves to such "base uses" is one of the most painful incidents of American politics.—*Balt. American.*

THE Democratic swindle of "Repeating" is to be tried on a large scale in Philadelphia, at the approaching election. Gangs of men from New York and New Jersey have been hired for the occasion. One man by the name of Hardy had himself registered *sixty times* in as many different precincts. The Philadelphia *Post* says:—"*There is the best reason to believe that in every closely contested ward in the city false registration on the largest scale has been systematically conducted to elect the Democratic candidates.*"

"THE UNIVERSAL AYER."—On my journeys over the continent—through Turkey, India, China, Japan, Peru, Chili, Paraguay, Brazil, and Mexico, and the United States—in them all to some extent and in some to a great extent, I have found the universal Ayer represented by his family medicines, which are often held in fabulous esteem. Whether they win their marvelous reputation by their cures, I know not, but I know they have it to such a degree that it frequently gave me a distinguished importance to have come from the same country.—[Field's letter from abroad. ROSADALIS

THE GREAT AMERICAN HEALTH RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens.

Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information.

Dr. R. W. Carr, of Baltimore, says:

I take pleasure in recommending your ROSADALIS as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of scrofula and Secondary Syphilis with satisfactory results—as a cleaner of the Blood I know no better remedy.

Samuel G. M'Fadden, Murfresboro', Tenn., says:

I have used seven bottles of Rosadalis and am entirely cured of Rheumatism; send me four bottles, as I wish it for my brother who has scrofulous sore eyes.

Benjamin Bechtol, of Lima, Ohio, writes. I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure.

DEATH OF HON. MOSES MCCLEAN.—Our community was greatly shocked on Friday morning last by the announcement of the death of Hon. Moses McClean. Few knew of his illness, and hence the shock was all the greater. Indeed, up to Wednesday, he was moving about apparently in ordinary health. Wednesday afternoon he complained of not feeling well and consulted his family physician, who prescribed for him. Thursday morning he took his bed, and by evening the disease had made such rapid progress, that his physicians abandoned all hope. He sank rapidly and on Friday morning breathed his last, peacefully and quietly, after a touching interview with the members of his family. For several years Mr. McClean had complained of failing health, and during the summer had made one or two brief trips of relaxation; but no one dreamed his end was so near at hand. It is evident, now, that his physical system had been thoroughly undermined by incessant labors, and the cares and anxieties incident to his profession, leaving it an easy prey to the destroyer. Mr. McClean was born in 1804, and hence was 66 years old. He read law with John McConaughy, Esq., was admitted to the Bar in 1825, and continued in active practice a period of 45 years, being at his death the senior member of the Bar. In 1844 he was elected to Congress from the York and Adams district, serving through the 29th Congress. In 1855 he was elected a member of the Legislature, serving one year. For a number of years he held the position of President of the Board of Trustees of Pennsylvania College, of which institution he was a warm and devoted friend. By close industry and marked fidelity in his profession, he had acquired a large practice, and gathered around him a number of warm personal friends who reposed implicit confidence in his integrity. His death will make a void in the community and the legal profession, which will be extensively realized. Mr. McClean was moreover an earnest, consistent, life-long professor of religion, and illustrated in his daily walk the sincerity of his Christian character.

His remains were interred in Ever-Green Cemetery on Saturday afternoon, the funeral being attended by the members of the Bar and officers of the Court, the Faculty of the College, and a number of citizens. At a meeting of the members of the Bar and officers of the Court, held on Friday afternoon, Hon. Robert McCurdy acting as Chairman and H. B. Woods, as Secretary, the following resolutions were unanimously adopted:

Resolved, That we have heard with deep emotion of the demise of Hon. Moses McClean, the senior member of the Bar of this county, whose sudden and unexpected death, this morning, has so greatly startled and afflicted this community.

Resolved, That we deeply deplore the removal of one so long and prominently connected with the administration of justice, and other public interests, in this county; whose integrity and uprightness of character had so justly secured for him the full confidence and esteem of his fellow citizens, and whose extensive personal and professional influence was ever directed for the advancement of sound morality, and the promotion of the highest good of society.

Resolved, That while we deeply sympathize with the family of the deceased in their affliction we are consoled by the reflection that our departed friend, by an humble, consistent, Christian life, has furnished the strongest testimony that to him death was not a calamity, but rather an exchange of the infirmities, cares and sorrows incident to this mortal life, for the perfection, rest and joy of immortality.

Resolved, That as a token of respect for the deceased we will attend his funeral in a body and wear the customary badge of mourning for the period of one month.

Resolved, That these resolutions be furnished for publication in the newspapers of the county, and be spread upon the Records of the Courts as a tribute to the memory of deceased.

J. M. FRENCH'S CIRCUS AND EGYPTIAN CARAVAN.—One of the finest Exhibitions in the world, will visit Gettysburg, giving two exhibitions on Tuesday, afternoon and evening, October 18th. A fine street display will take place in the morning at 10 o'clock. We clip the following from the Boston *Journal*:

"The entree of French's Egyptian caravan into our city, with its drove of Asiatic camels, richly caparisoned, and under the perfect control of their Bedouin drivers, was a display that attracted universal admiration. It was one of the most interesting street exhibitions ever witnessed here; and the manner in which the varied programme of the circus performance was conducted fulfilled the lively expectation aroused by the magnificent and novel entree into the city. This circus has the largest elephant on exhibition in America, and also the smallest of the elephantine tribe, besides many other rare specimens from the animals of Europe and Asia. The large tent was crowded to witness the evening exhibition, and we heard but one expression in regard to the entertainment, and that was of unqualified praise." It

MEETING AT FAIRFIELD.—The meeting at Fairfield on Monday night was large and enthusiastic. Hon. John McGinley was appointed President; Henry Landis Joseph Musselman, Edward Reese and George F. Sites, Vice Presidents; Peter Kready and Wm H. Low Secretaries.

Judge Allison, of Washington, made a powerful speech in vindication of the Republican party, and its financial policy, which made a profound impression. J. M. Krauth, Esq., followed in an eloquent appeal to Republicans to stand by the great principles of the party, and to work for victory.

MEETING IN BENDERSVILLE.—The Republican meeting at Bendersville on Tuesday night was large and enthusiastic. Elijah Wright was made President and Charles J. Tyson Secretary, with other officers, whose names have not been communicated to us.

Mr. Cessna and Judge Allison addressed the meeting, holding the close attention of the people for nearly three hours, in able and eloquent expositions of the policy and principles of the Republican party.

MEETING AT YORK SPRINGS.—The meeting at York Springs on Wednesday night was one of the largest held in that section for years. It met in the Odd Fellow's Hall, and was called to order by G. A. Uhler, Chairman of the Joint Committee for York Springs District, on whose motion Col. John Wolford was appointed President; John E. Spangler, Paul Hersh, I. D. Worley, Francis Coulson, David Beals, Dr. D. Diller, and Wesley Sadler, Vice Presidents; Jonathan Myers, J. M. Krauth, Esq., John W. Gardner and Wm Livingston Secretaries.

Mr. Cessna and Judge Allison addressed the meeting, making a most favorable impression. This district will do its whole duty.

REPUBLICAN COLORED MEETING.—The colored Republicans of the Borough held their first meeting in Robinson's Hall on Saturday evening. It was largely attended. Speeches were made by Messrs. Lloyd Watts, Aaron Russell, Jesse Nelson and D. A. Buehler, Esq. The first three are colored men, and made excellent, logical speeches, evincing thorough acquaintance with the political issues of the day and the *status* of parties.

SALE OF VALUABLE PROPERTY.—We again direct the reader's attention to the sale of Jacob Heagy, near Bender's Church, to take place on Friday next, Oct. 14. Besides valuable Personal Property, he will offer his desirable Farm of 128 Acres, finely located and well improved. See adv.

BOROUGH TAXES.—The Town Council being in want of funds, and a large number of assessed Taxes being unpaid, the Collectors have been instructed to proceed to an IMMEDIATE COLLECTION of all outstanding Borough Taxes. Tax-payers in arrears will be called on by the Collectors in the course of a few days, and all who wish to save costs will do well to make arrangements for prompt payment—as payment, under the orders of the Council, will be enforced by legal process. Sept. 30-3t.

PRIME OYSTERS.—E. H. Minnigh makes it a point to serve up the VERY BEST Oysters that can be secured in the Baltimore market. He has special accommodations for Ladies and Gentlemen, who will find every thing in prime order. Oysters served up in every style, to suit the most fastidious. Call and see for yourselves.

PIANOS.—Prof. Peter Bentz, of York, had a fine Stœck Piano, and several Cabinet Organs, on exhibition at the recent Agricultural Fair, which attracted much attention by their sweetness and richness of tone, and took the highest Premiums. Prof. Bentz has established a high reputation for integrity and fair business dealing, and any of our friends who want a good musical instrument will do well to buy through him. He gives a personal guarantee for all instruments sold by him.

TAKE NOTICE.—All persons having books belonging to the library of Prof. Stœver will please return them immediately to Mrs. Stœver. tf

OR

Mount Vernon and its Associations,

BY BENSON J. LOSSING,

Author of "FIELD BOOK of the REVOLUTION," "HISTORY of the UNITED STATES," etc., etc., etc.

Illustrated with nearly 150 Engravings,

Mainly from Original Drawings by the Author, embracing numerous Views of Mount Vernon, various Interesting Objects upon the Grounds, copies of Famous Pictures, Portraits of Washington, and other Members of the Family, as well as Distinguished Personages of his time, etc.

"Mr. Lossing has combined his skill and practice both with pen and pencil in the preparation of this attractive volume. The narrative abounds with interesting details of the private and domestic life of Washington, set forth in an easy and familiar style. * * * The pictorial illustrations, chiefly from original drawings by the Author, are on the most generous scale."—*New York Tribune.*

"This volume is well adapted as a gift book, being at once historical and artistic."—*Philadelphia Press.*

"'The Home of Washington' deserves the appellation given it, of a 'superb National gift-book.' * * * The 150 engravings, by Mr. Lossing, reproduce with martial fidelity all the relics, scenes, and localities connected with his abode that time has spared, and many, indeed, that no longer exist. It is a book whose value must necessarily increase with the lapse of years."—*New York Times.*

"This superb volume is one of the most attractive of the many beautiful and valuable books given to the public by Mr. Lossing. * * * No object of interest escapes him, and his text and his sketches mutually illustrate each other. LETTER FROM WASHINGTON.

WASHINGTON, D. C., Sept. 22d 1870.

MESSRS. EDITORS:—I notice that you have contradicted the silly copperhead story that I had been displaced, and my position given to a colored man. The Cops are hard up, or they would not coin such falsehoods, to work on popular prejudice. The negro question is forever settled. While in your county the Democratic leaders continue to use it, *here* they accept the situation and have taken a new tack. They no longer class the colored people among Apes and Baboons, but they take them by the hand, smile upon them, insist that "they were always their friends," and solicit their votes. How things have changed since Slavery died. Just think of a Disfranchised Reb. trying to organize a "Colored Democratic Club." Yet such is the fact. While the Northern Democrats are butting their heads against the walls of Freedom and Equal Rights—the 15th Amendment—the Southern Democrats are almost carrying the colored voters around in their arms, trying to convince them, by every means in their power, of their lasting friendship and love

I hope Pennsylvania will speak in thunder tones next month, and elect all her Republican candidates, and particularly Mr. Cessna of the 16th District, as it conceded he is one of the rising stars in the Congress of the United States. The general impression here in Washington is that Mr. Cessna is one of the most energetic, industrious members of the House. I have met him frequently, on cold winter mornings, on his way to the Departments to hurry up the claim of some poor widow or soldier of his District, when probably you could not find another member of Congress in the city out of bed.

The 16th District is one which the Copperheads hope to carry. I notice that the flood-gates of calumny and detraction have been opened, by the disloyal press of our State, with the view of withdrawing loyal voters from the support of Mr. Cessna. I do hope the Soldiers in the District will go into the political fight with an appreciative knowledge that the principles of liberty and equal rights are involved in this contest, as they were in the war of the Rebellion. Mr. Cessna deserves the vote of every soldier. He is the soldier's friend, and I do trust the soldiers in his district will prove their appreciation of his services by casting for him a solid vote.

DODGE'S PATENT REAPER AND MOWER
AND SELF RAKER.

THIS machine has met with the most complete success. In every section where it has been introduced, it has taken precedence over those machines which have heretofore ranked as first-class. It is a perfect Self-Raker and a superior Mower.

A careful examination will convince any one of its superior merits over all others, in simplicity, strength and durability. As a Self-raking Reaper it has no equal to our knowledge.

The Dodge rake is attached to no other machine in the United States, except to this machine.—Built by the DODGE & STEVENSON Manufacturing Co., Auburn, New York.

READ THE NOTICE OF THE COMPANY TO OUR AGENTS:

Having been informed that certain manufacturers in Ohio and elsewhere are building Reapers, with DODGE'S SELF-RAKE attached, we ask you to furnish us the names of all persons vending or purchasing such machines, as we have never licensed any person or persons to manufacture said SELF-RAKE, or any part thereof, and will prosecute to the full extent of the law all persons manufacturing, selling or using said Self-rake except of our own manufacture.

JOHN A. DODGE, President.

We have that confidence in this machine that we are willing to let those wanting a machine test it with any other machine they may wish, and keep the one that gives the most satisfaction.

Farmers wanting Droppers attached can be accommodated.

For the benefit of those wanting machines we should refer them to a few of those to whom we have sold, viz:

MANHOOD

IN THE YOUNG AND RISING GENERATION.

The vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eye and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the ever-changing scene of the city, the powers of the body, too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and visiting the cheek with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so fascinating a change from child to woman, is looked for in vain: the parent's heart bleeds in anxiety, and fancies the grave but waiting for its victim.

HELMBOLD'S EXTRACT BUCHU, for Weakness arising from excesses or early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such patients than Solitude, and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

These symptoms, if allowed to go on—which this Medicine invariably removes—soon follow Loss of Power, Fatuity, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan Despair
Low sullen sounds their grief beguiled."

Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of Chemistry for the removal of the consequences. HELMBOLD'S HIGHLY CONCENTRATED FLUID EXTRACT OF BUCHU. There is no tonic like it. It is an anchor of hope to the surgeon and patient, and this is a testimony of all who have used or prescribed it.

HOW TO CURE

CONSUMPTION!!

THE PHILOSOPHY OF DR. SCHENCK'S GREAT MEDICINES.—Will people never learn to know that a diseased liver and stomach necessarily disease the entire system? The plainest Principles of common sense teach this, and yet there are hundreds who ridicule the idea, and continue in the course which almost inevitably brings them permaturely to the grave. Living as the majority of the people do, at complete variance with the laws of nature, it must be apparent to all that, sooner or later, nature will revenge herself. Hence we find that persons who indulge to excess in the use of very rich or indigestible food or intoxicating drinks, invariably pay a heavy penalty in the end. The stomach becomes disordered and refuses to act; the liver fails to perform its functions, dyspepsia and its attendant evils follow, and still the suffering individuals persist in clinging to the thoroughly exploded ideas of the past. Dr. Schenck's medicines are recommended to all such. They bring sure and certain relief wherever they are used as directed, and all that is necessary to establish their reputation with every ailing man or woman in the land is a fair and impartial trial of them. Let those who are skeptical on this point, and who have permitted interested persons to prejudice them against these now celebrated remedies for Consumption, discard their prejudice, and be governed by the principles of reason and common sense. If the system is disordered depend upon it, in nine cases out of ten the seat of disorder will be found in the stomach and liver. To cleanse and invigorate the stomach and to stimulate the liver to healthy action use

SCHENCK'S MANDRAKE PILLS.—The daily increasing demand for these pills is the best evidence of their value. Thousands upon thousands of boxes are sold daily. Why? Simply because they act promptly and efficiently. Invalids who may not find it convenient to call on Dr. Schenck in person are informed that full and complete directions for use accompany each package of the MANDRAKE PILLS, PULMONIC SYRUP AND SEAWEED TONIC.—These medicines will cure consumption unless the lungs are so far gone that the patient is entirely beyond the reach of medical relief.

It may be asked by those who are not familiar with the virtues of these great remedies, "How do Dr. Schenck's medicines effect their wonderful cures of consumption?"

The answer is a simple one. They begin their work of restoration by bringing the stomach, liver and bowels into an active healthy condition. It is food that cures this formidable disease.—SCHENCK'S MANDRAKE PILLS act on the liver and stomach, promoting healthy secretion, and removing the bile and slime which have resulted from the inactive or torpid condition of these organs, and of the system generally. This sluggish state of the body, and the consequent accumulation of the unhealthy substances named prevent the proper digestion of food; and, as a natural consequence creates disease, which results in prostration and finally in death.

SCHENCK'S PULMONIC SYRUP and SEAWEED TONIC, when taken regularly, mingle with the food, aid the digestive organs, make good rich blood, and as a natural consequence, give flesh and strength to the patient. Let the faculty say what it may, this is the only true cure for consumption. Experience has proved it beyond the shadow of a doubt, and thousands are to-day alive and well who a few years since were regarded as hopeless cases, but who were induced to try Dr. Schenck's remedies, and were restored to permanent health by their use.

One of the first steps the physician should take with a consumptive patient is to invigorate the system. Now how is this to be done? Certainly not by giving medicines that exhaust and enervate—medicines that impair instead of improve the functions of the digestive organs. Dr. Schenck's medicines cleanse the stomach and bowels of all substances which are calculated to irritate or weaken them. They create an appetite—promote healthful digestion—make good blood, and, as a consequence, they invigorate and strengthen the entire system, and more especially those parts which are diseased. If this cannot be done, then the case must be regarded as a hopeless one.

If the physician finds it impossible to make a PATIENT FEEL HUNGRY, if the diseased person cannot partake of good nourishing food and properly digest it, it is impossible that he can gain flesh and strength; and it is equally impossible to bring a patient to this condition so long as the liver is burdened with diseased bile, and the stomach laden with unhealthy slime.

Almost the first request made to the physician by a consumptive patient is that he will prescribe medicines that will remove or allay the cough, night sweats and chills, which are the sure attendants on consumption. But this should not be done, as the cough is only an effort of nature to relieve itself, and the night sweats and chills are caused by the diseased lungs. The remedies ordinarily prescribed do more harm than good.—They impair the functions of the stomach, impede healthy digestion, and aggravate rather than cure the disease.

There is, after all, nothing like facts with which to substantiate a position, and it is upon facts that Dr. Schenck relies. Nearly all who have taken his medicines in accordance with his directions have not only been cured of consumption, but, from the fact that these medicines act with wonderful power upon the digestive organs, patients thus cured speedily gain flesh. Cleansing the system of all impurities, they lay the foundation for a solid, substantial structure. Restoring these organs to health, they create an appetite. The food is properly assimilated; the quantity of blood is not only increased, but is made rich and strong and in the face of such a condition of the system all disease must be banished.

Full directions accompany each of the medicines, so that it is not absolutely necessary that patients should see Dr. Schenck personally, unless they desire to have their lungs examined. For this purpose he is at his principle office, No. 15 North Sixth St., corner of Commerce, Philadelphia, every Saturday, from 6 A. M., until 1 P. M.

Advice is given without charge, but for a thorough examination with the Respirometer the charge is $5.

AND WHEREAS, Persons, not citizens of the United States, are not under the Constitution and Laws of Pennsylvania, qualified electors of this Commonwealth:

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That in all elections hereafter to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot or ballots.

SECTION 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this Commonwealth, he shall, for each offence be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

SECTION 4. That if any person shall hereafter persuade, or advise, any person or persons deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this Commonwealth, or shall persuade, or advise, any such officers to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this Commonwealth, shall be punished in like manner as is provided in the second section of this act, in case of officers of such election receiving such unlawful ballot or ballots.*

By the 16th section Registry Law approved the 17th day of April, A. D., 1869, it is directed that "At all the elections hereafter held under the laws of this Commonwealth, the polls shall be opened between the hours of six and seven o'clock, A. M., and close at seven o'clock, P. M.,"

ALSO—In and by virtue of the 14th section of the act of Feb. 27th, 1849, every person, excepting Justices of the Peace, who shall hold any office or appointment of profit or trust under the legislative, executive or judiciary department of this State, or of the United States, or any city or incorporated district, and also that every member of Congress and of the State Legislature, and of the Select Common Council of any City or Commissioner of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, Inspector, or Clerk of any election of this Commonwealth, and that no Judge, Inspector, or other officer of any such election, shall be eligible to any office to be then voted for.

And be it further directed, in and by the Act of the General Assembly of this State, aforesaid, that one of the Judges of each of the different districts aforesaid, who shall have the charge of the certificates of the number of votes which shall have been given for each candidate for the different offices then and there voted for at their respective districts, shall meet the third day after the election, which shall be on FRIDAY THE 16TH OF OCTOBER aforesaid, at the Court-house, in the borough of Gettysburg, then and there to make a fair statement and certificate of the number of votes, which shall have been given at the different districts in the county of Adams for any persons for the offices aforesaid.

*Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting has recently been declared unconstitutional by the Supreme Court of Pennsylvania, except so far as it disqualifies from voting persons duly *tried* and *convicted* of desertion, and is now null and void with said exception, and that all persons formerly disqualified thereunder with the exception named, are now lawful voters, if otherwise qualified.

REGISTRY ACT OF 17TH APRIL, 1869.

ALSO—The following sections of the new Registry Law, applicable between this and the Second Tuesday of October.

SEC. 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him since the return required to be made by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy thereof to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township or precinct, and furnish the same together with the necessary election blanks, to the officers of the election in said ward, borough, township or precinct, on or before six o'clock on the morning of the second Tuesday of October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

SEC. 4. On the day of the election any person whose name is not on said list, and claiming the right to vote at said election, shall produce at least one qualified voter of the district as a witness to the residence of the claimant in the district in which he claims to be a voter, for the period of at least ten days next preceding said election, which witness shall take and subscribe a written, or partly written and partly printed affidavit to the fact stated by him, which affidavit shall define nearly where the residence is of the person so claiming to be a voter; and the person so claiming the right to vote shall also take and subscribe a written, or partly written and partly printed affidavit, stating to the best of his knowledge and belief, where and when he was born; that he is a citizen of the Commonwealth of Pennsylvania and of the United States; that he has resided in the Commonwealth one year, or if formerly a citizen therein and has moved therefrom, that he has resided therein six months next preceding said election; that he has not moved into the district for the purpose of voting therein; that he has paid a State and county tax within two years, which was assessed at least ten days before said election; and, if a naturalized citizen, shall also state when, where and by what court he was naturalized, and shall also produce his certificate of naturalization for examination; the said affidavit shall state when and where the tax claimed to be paid by the affiant was assessed, and when, where and to whom paid; and the tax receipt therefore shall be produced for examination, unless the affiant shall state in his affidavit that it has been lost or destroyed, or that he never received any; but if the person so claiming the right to vote shall take and subscribe an affidavit, that he is a native born citizen of the United States, (or if born elsewhere, shall state that fact in his affidavit, or that he is entitled to citizenship by reason of his father's naturalization;) and shall further state in his affidavit that he is, at the time of taking the affidavit, between the ages of twenty-one and twenty-two years, that he has resided in the State one year and in the election district ten days next preceding such election, he shall be entitled to vote, although he shall not have paid taxes; the said affidavits of all persons making such claims, and the affidavits of the witnesses to their residence, shall be preserved by the election board, and at the close of the election they shall be enclosed with the list of voters, tally list and other papers required by law to be filed by the return judge with the prothonotary's office, subject to examination, as other election papers are. If the election officers shall find that the applicant or applicants possess all the legal qualifications of voters, he or they shall be permitted to vote, and the name or names shall be added to the list of taxables by the election officers, the word "tax" being added where the claimant claims to vote on tax, and the word "age," where he claims to vote on age; the same words being added by the clerks in each case respectively, on the lists of persons voting at such election.

SEC. 5. It shall be lawful for a qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such persons whereupon the same proof of the right or suffrage as is now required by law shall be publicly made and acted on by the election board, and the vote admitted or rejected, according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years, consecutively, a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted" with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, except where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such second vote, upon so offending, shall be guilty of a high misdemeanor, and on conviction thereof, be fined or imprisoned, or both, at the discretion of the court; the fine shall not exceed one hundred dollars in each case, nor the imprisonment one year; the like punishment shall be inflicted on conviction of the officers of election who shall neglect, or refuse to make, or cause to be made, the endorsement required, as aforesaid, on said naturalization certificate.

SEC. 6. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, to the laws which this is a supplement, from any person offering to vote whose name is not on the list of assessed voters, or whose right to vote is challenged by any qualified voter present, and shall admit such person to vote without requiring such proof, every person so offending shall upon conviction, be guilty of a high misdemeanor, and shall be sentenced, for every such offence, to pay a fine not exceeding one hundred dollars, or to undergo an imprisonment not more than one year, or either or both, at the discretion of the court.

SEC. 7. Ten days preceeding every election for electors of President and Vice President of the United States, it shall be the duty of the assessor to attend the place fixed by law for holding the election in each election district, and then and there hear all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote, or whose rights have originated since the same was made out, and shall add the names of such persons thereto as shall show that they are entitled to the right of suffrage in such district, on the personal application of the claimant only, and forthwith assess him with the proper tax. After completing the list, a copy thereof shall be placed on the door of or on the house where the election is to be held, at least eight days before the election; and at the election the same course shall be pursued, in all respects, as is required by this act and the acts to which it is a supplement, at the general election in October. The assessor shall also make the same returns to the county commissioners of all assessments made by virtue of this section; and the county commissioners shall furnish copies thereof to the election officers in each district, in like manner in all respect as required at the general election in October.

SEC. 8. The same rules and regulations shall apply at every special election and at every separate city, borough or ward election, in all respects, as at the general election in October.

SEC. 9. The respective assessors, inspectors and judges of the elections shall each have the power to administers oaths to any person claiming the right to be assessed or the right of suffrage, or in regard to any other matter or thing required to be done or inquired into by any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers, shall be punished as perjury.

SEC. 10. The assessor shall each receive the same compensation for the time necessarily spent in performing the duties hereby enjoined as is provided by law for the performance of their other duties, to be paid by the county commissioners as in other cases; and it shall not be lawful for any assessor to assess a tax against any persons whatever within ten days next preceding the election to be held on the second Tuesday of October, in any year, or within ten days next before any election for electors of President and Vice President of the United States; any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment not exceeding three months, or both, at the discretion of the court.

SEC. 11. On the petition of five or more citizens of the county, stating under oath that they verily believe that frauds will be practiced at the election about to be held, in any district, it shall be the duty of the court of common pleas of said county, if in session, or if not, a judge thereof in vacation, to appoint two judicious, sober and intelligent citizens of the county, to act as overseers of said election, said overseers shall be selected from different political parties, where the inspectors belong to different parties, and where both of said inspectors belong to the same political party, both of the overseers shall be taken from the opposite political party; said overseers shall have the right to be present with the officers of the election during the whole time the same is held, the voters counted, and the returns made out and signed by the election officers; to keep a list of voters, if they see proper to challenge any person offering a vote, and interrogate him and his witnesses, under oath, in regard to his right of suffrage at said election, and to examine his papers produced; and the officers of said election are required to afford to said overseers so selected and appointed every convenience and facility for the discharge of their duties; and if said election officers shall refuse to permit said overseers to be present and perform their duties as aforesaid, or if they shall be driven away from the polls by violence or intimidation, all the votes polled at such election district may be rejected by any tribunal trying any contest under said election: *Provided*,—That no person signing the petition shall be appointed an overseer.

SEC. 12. If any prothonotary, clerk, or the deputy of either, or any other person, shall affix the seal of office to any naturalization paper, or permit the same to be affixed, or given out, or cause or permit the same to be given out, in blank, whereby it may be fraudulently used, or furnish a naturalization certificate to any person who shall not have been duly examined and sworn in open court, in the presence of some of the judges thereof, according to the act of Congress, or shall aid in, connive at, or in any way permit the issue of any fraudulent naturalization certificate, he shall be guilty of a high misdemeanor; or if any one shall fraudulently use any such certificate of naturalization, knowing that it was fraudulently issued, or shall vote, or attempt to vote, on any certificate of naturalization not issued to him, he shall be guilty of a high misdemeanor; and either or any of the persons, their alders or abettors, guilty of either of the misdemeanors aforesaid, shall, on conviction, be fined in a sum not exceeding one thousand dollars, and imprisonment in the proper penitentiary for a period not exceeding three years.

SEC. 13. Any person who on oath or affirmation, in or before any court in this State, or officers authorized to administer oaths shall, to procure a certificate of naturalization, for himself or any other person, willfully dispose, declare or affirm any matter of fact, knowing the same to be false, or shall in like manner deny any matter or fact, knowing the same to be true, shall be deemed guilty of perjury; and any certificate of naturalization issued in pursuance; of any such deposition, declaration, or affirmation shall be null and void; and it shall be the duty of the court issuing the same, upon proof being made before it that it was fraudulently obtained, to take immediate measures for recalling the same for cancellation; and any person who shall vote, or attempt to vote, on any paper so obtained, or who shall in any way aid in, connive at, or have any agency whatever in the issue, circulation or use of any fraudulent naturalization certificate, shall be deemed guilty of misdemeanor, and, upon conviction therefore, shall undergo an imprisonment in the penitentiary for not more than two years, and pay a fine, not more than one thousand dollars, for every such offence, or either or both, at the discretion of the court.

SEC. 14. Any assessor, election officer or person appointed as an overseer, who shall neglect or refuse to perform any duty enjoined by this act, without reasonable or legal cause, shall be subject to a penalty of one hundred dollars; and if any assessor shall assess any person as a voter who is not qualified, or shall refuse to assess any person who is qualified, he shall be guilty of a misdemeanor in office, and on conviction be punished by fine or imprisonment, and also be subject to an action for damages by the party aggrieved; and if any person shall fraudulently alter, add to, deface or destroy any list of voters, made out as directed by this act, or tear down or remove the same from the place where it has been fixed, with fraudulent or mischievous intent or for any improper purpose, the person so offending shall be guilty of a high misdemeanor, and on conviction shall be punished by a fine not exceeding five hundred dollars, or imprisonment not exceeding two years, or both, at the discretion of the court.

SEC. 15. SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That the qualified voters of the several counties of this Commonwealth, at all general, township, borough or special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled outside, "judiciary;" one ticket shall embrace the names of all State officers voted for, and be labelled "State;" one ticket shall embrace the names of all county officers voted for, including office of Senator, member and members of Assembly, if voted for, and be labelled "county;" one ticket shall embrace the names of all township officers voted for and be labelled "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in separate ballot-boxes.

XV AMENDMENT CONSTITUTION U. S.

The following instructions from his Excellency Gov. Geary, explains the duties of Assessors, Registers and Election officers in regard to all freedmen of this Commonwealth:

EXECUTIVE CHAMBER,
HARRISBURGH, PA., Aug. 27, 1870.

To the Sheriff of the County of Adams.

WHEREAS, The Fifteenth Amendment of the Constitution of the United States is as follows:

SECTION 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State on account of race, color or previous condition of servitude.

SECTION 2. The Congress shall have power to enforce this article by appropriate legislation.

AND WHEREAS, The Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "An act to enforce the right of citizens of the United States to vote in the several States of the Union, and for other purposes," the first and second sections of which are as follows:

SECTION 1. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction of race, color or previous condition of servitude; any Constitution, law, custom, usages or regulations of any State or Territory, or by or under its authority, to the contrary notwithstanding."

SECTION 2. And be it further enacted, That if by or under the authority of the Constitution or laws of any States, or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting and by such Constitution or law, persons or officers are or shall be charged with the performance of duties in furnishing citizens an opportunity to perform such pre-requisite, or to become qualified to vote, it shall be the duty of every such person and officer to give to all citizens of the United States, the same equal opportunity to perform such pre-requisite, and to become qualified to vote without distinction of race, color or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall for every offence forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall be deemed guilty of a misdemeanor, and shall, on conviction thereof, be fined not less than one month and not more than one year, at the discretion of the court.

And whereas, it is declared by the 2d section of the VI article of the Constitution of the United States, that "This Constitution of the United States which shall be made in pursuance thereof, shall be the supreme law of the land, * * * * anything in the Constitution or laws of any State to the contrary notwithstanding."

And whereas, the Legislature of the Commonwealth, on the 6th day of April, A. D., 1870, passed an act, entitled "A further supplement to the act relating to the elections in this Commonwealth," the tenth section of which provides as follows:

SECTION 10. That so much of every act of Assembly as provides that only white freeman shall be entitled to vote or be registered as voters, or as claiming to vote at any general special election of this Commonwealth, be and the same is hereby repealed; and that hereafter, all freemen, without distinction of color, shall be enrolled and registered according to the provisions of the first section of the act approved seventeenth of April, '69, entitled "An act further supplement to the act relating to the elections of this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special elections in this Commonwealth.

And whereas, It is my constitutional and official duty to "take care that the laws be faithfully executed;" and it has come to my knowledge that sundry assessors and registers of voters have refused, and are refusing to assess and register divers colored male citizens of lawful age, and otherwise qualified as electors.

Now, therefore in consideration of the premises, the county commissioners of said county are hereby notified and directed to instruct the several assessors and registers of voters therein, to obey and conform to the requirements of said constitutional amendment and laws; and the sheriff of said county is hereby authorized and required to publish in his proclamation for the next ensuing elections the herein recited constitutional amendment, act of Congress, and act of the Legislature, to the end that the same be known, executed and obeyed by all assessors, registers of voters, election officers and others, that the rights and privileges guaranteed thereby may be secured to all the citizens of this Commonwealth entitled the same.

Given under my hand and the great seal of the State, at Harrisburg, the day and [SEAL.] year first above written.

JOHN W. GEARY.

Attest: F. JORDAN,
Secretary of Commonwealth.

ALSO—In and by virtue of the 14th section of the act of February 27th, 1840, every person excepting Justices of the Peace, who shall hold any office or appointment of profit or trust under the legislative, execute or judiciary department of this State, or of the United States, or of any city or incorporated district, and also that every member of Congress and of the State Legislature, and of the Select or Common Council of any City or Commissioner of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Judge, Inspector, or other officer of any such election, shall be eligible to any office to be then voted for.

ALSO—That in the fourth section of the Act of Assembly entitled "An Act relating to executions, and for other purposes," approved April 16th, 1840, it is enacted that the aforesaid 14th section "shall not be construed, so as to prevent any militia officer or borough officer from serving as judge, inspector or clerk, at any general or special election in this Commonwealth."

And be it further directed, and by an Act of the General Assembly of this State, said, that one of the Judges of each of the different districts aforesaid, who shall have the charge of the certificates of the number of votes which shall have been given for each candidate for the different offices then and there voted for at their respective districts, shall meet the third day after the election, which shall be on FRIDAY, THE 14TH DAY OF OCTOBER aforesaid, at the Court House, in the Borough of Gettysburg, then and there to make a fair statement and certificate of the number of votes which shall have been given at the different districts in the county of Adams for any person for the offices aforesaid.
